Conditions of Hire – Cessna 182RG

1. All pilots to be approved by DDAC CFI
2. All aspiring pilots should possess:
 - i. Private Pilot Licence
 - ii. Minimum of 100 hrs Total Time
 - iii. Previous high wing experience desirable

Compliance with the above does not automatically confer right to fly – variations at CFIs discretion

1. Checked out by Grade 1 Instructor only
2. Three month recency requirement (minimum 3 take-offs and landings)
3. Six monthly check

GENERAL NOTES FOR ALL AIRCRAFT HIRE:

1. Six monthly checks are at the applicable solo private hire rates for the aircraft concerned, calculated at VDO time. Maximum allowed time at this rate is 30 minutes. If further dual training is required, this will be at the normal dual rate. This rate cannot be used towards any other training for a flight crew license, rating, endorsement or for a flight review.
2. "Out of pocket" fuel purchases away from Toowoomba will be refunded at the Toowoomba bowser rate.
3. All hirer's are urged to familiarise themselves with the Club's "Conditions of Hire" prior to hire of the aircraft. (A copy of this is available on request from the Club office). All people hiring an aircraft from the Club are bound by these conditions. Ignorance of these is not an excuse for non-compliance with the conditions.
